## **2 metres Counties Contest**

This contest takes place on Easter Monday, 6th April, from 2pm to 4pm local time. There are separate sections for portable and fixed stations, low power and high power, as well as an FM Only section for single ops and an SWL section.

To ensure everyone gets a fair chance of calling CQ, there is a special 'QSY Rule' to the effect that after any QSO in which you are called by another station, you must QSY to another channel (FM), or by at least 3 kHz (SSB), before soliciting another QSO, while the station answering the CQ or QRZ has the frequency for one more contact. See [www.irts.ie/contests](http://www.irts.ie/contests) for more details.

The 2 metres counties contest is a very popular event, it's a good opportunity for individuals and groups to test VHF propagation.

Note that the Contest Manager is now Joe EI7GY, so any paper logs being sent should go directly to Joe at his home address - listed in the call book. Emailed logs go to `contestmanager /at/ irts.ie`

## **EI90IARU**

IRTS has been issued with the call sign EI90IARU to commemorate the 90th anniversary of the founding of the International Amateur Radio Union (IARU) in Paris in 1925. The call sign is available for use by any EI station in the 26 counties holding a current amateur station licence.

Anyone wishing to use the call sign can do so subject to notifying Dave O'Conner EI6AL of the times/ bands/modes prior to going on the air so as to avoid any potential duplication. Anyone applying to use the call sign is considered to be undertaking to use it in accordance with the ComReg Regulations, Technical Conditions, Frequency

allocations and Guidelines relating to amateur stations.

It is also essential that logs (preferably in ADI format) are kept when using the call sign and copies emailed to Dave EI6AL so that a central log can be held for QSL or other purposes. Dave can be contacted at [dave.ei6al /at/ gmail.com](mailto:dave.ei6al@gmail.com) or by phone on 086 1000000

### **Southern Eastern Amateur Radio Group**

SEARG will continue their 2m net on Tuesday nights after the IRTS weekly news. This is to promote the use of the band, which has seen a decline in use. The intended frequency used is 145.400MHz and net has had many stations calling in since its introduction. Everyone welcome to join in.

The March meeting of the South Eastern Amateur Radio Group will take place in the Roanmore Social and Sports Centre, Cleaboy Road, Waterford on Monday 30th March at 8pm sharp. All members are asked to attend and new members are most welcome.

Follow SEARG on Facebook and on Twitter.
